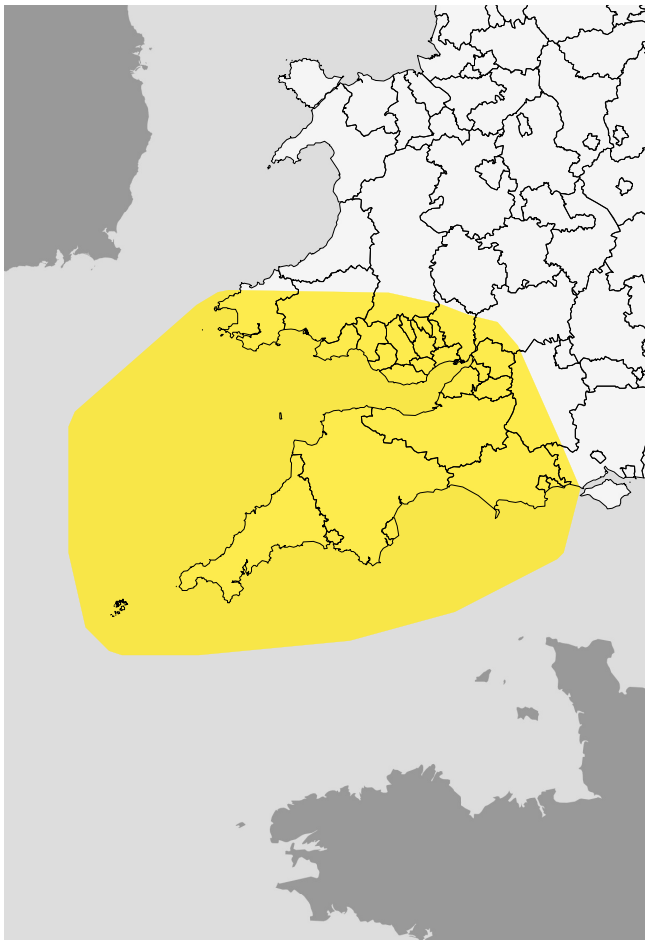
Yellow warning
Rain & Wind

Between
03:00 Sun 29 Jul 2018 and
15:00 Sun 29 Jul 2018



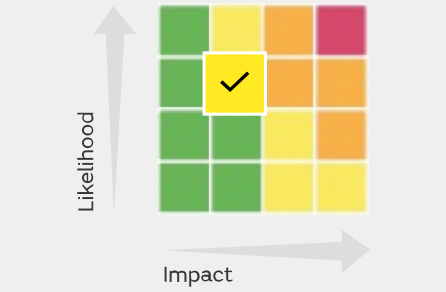
A spell of wet and windy weather is expected on Sunday.

What to expect

- Spray and flooding on roads probably making journey times longer
- Delays for high-sided vehicles on exposed routes and bridges are likely
- It's likely that some coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves
- Some short term loss of power and other services is possible
- Damage to tents or other temporary structures is possible

Further details

Outbreaks of heavy rain and strong winds are expected on Sunday. Southerly winds will gust at around 35-40 mph and up to 50 mph for exposed coasts and hills. In addition to the wind, heavy rain is expected. Rain will be most persistent over hills with rainfall totals of 30-40 mm likely to build up and south facing slopes in parts of the Brecon Beacons and Dartmoor could see as much as 60-80 mm of rain. The weather conditions on Sunday will come in stark contrast to what has been typical recently, this may increase the chance of impacts.



Medium likelihood of low impacts

Issued at 10:22 Fri 27 Jul, 2018
